

VENDING PROGRAM SOLUTIONS

BDG® Vending Program Solutions focuses on inventory needs and provides system strategies that save time and money for the customer.

BENEFITS:

- + Increase stocking turnaround times
- + Vending machine ready without the need for additional labour
- + Reduce loss and wasted inventory
- + Wrapped products are smaller and consume less space
- + Works with coil vending systems
- + Pre-wrapped inventory keeps product clean from dirt and dust

BDG® vending machine ready products include gloves, gear, sleeves, PPE and more.
